Our Story

Mission: *To support Dignity Health health care facilities and programs in the Southeast Valley through philanthropy.*

We are committed to furthering the healing ministry of Jesus. We dedicate our resources to:

- ✓ Delivering compassionate, high-quality, affordable health services;
- ✓ Serving and advocating for the poor and disenfranchised;
- ✓ Partnering with others in the community to improve quality of life.

Dancing with Dignity

This signature event was created in partnership with a dedicated group of volunteers who sought to enhance post-stroke rehabilitation by offering **Stroke Camps**.

Expansion allowed funding other rehabilitation programs such as **Hippotherapy, Music-Therapy, a Brain Tumor Group** and Camp, plus the renovation of our **outpatient rehabilitation center**.

The spectacular show pairs professional ballroom dancers from the **Arizona Ballroom Champions** with volunteers, to create a performance that tells the story of the exceptional care patients and families receive with Dignity Health.
