

PARTNERSHIPS

Every child is worthy of the opportunity to benefit from contemporary knowledge and treatments that will enhance their dental health and overall well-being. Dignity Health is committed to improving oral awareness and bringing oral health care to the children in our community.

Dignity Health has three dental programs available in the Phoenix East Valley.

- 1 The Chandler Children's Dental Clinic provides preventive dental services to low-income and uninsured children.
- 2 Community oral health classes with free supplies.
- 3 The First Teeth First program provides services in the community at East Valley WIC locations, pediatric, and OBGYN offices.
