Letter from the President

April is a wonderful month full of Spring and growth, and our Foundation is no exception. It is certainly topped off by our 13th Annual George Rozsa Golf Tournament, in honor of a wonderful man and volunteer to the hospital, George Rozsa. I can't thank everyone enough, as the generosity of our committee and sponsors has already generated a record breaking year with nearly \$200,000 for our Orthopedics Department. This means that the Foundation will be able to help advance Dignity Health East Valley Orthopedic Services to a higher level of care for our patients.

April is packed full of so much more than golf though, including Arizona Gives Day and the kickoff of our Employee Giving Campaign at Chandler Regional Medical Center. Every donor and every gift is so important to us as we strive to better our community. Our Board of Directors thanks you for your generosity and is here to ensure that every dollar is invested wisely. Please continue to find updated information, please visit our [website](#).

Sincerely,

Aaron Peace

Women's Philanthropic Circle

The Women's Philanthropic Circle was formed to raise awareness and garner support of important health issues that are central to both Chandler Regional and Mercy Gilbert Medical Centers and the health and well-being of women and families in the Southeast Valley by:

- Cultivating women as philanthropic leaders
- Creating a new sustainable philanthropic arm of the Foundation that empowers women to raise awareness of health care concerns that touch their families and community in the Southeast Valley
- Celebrating the impact of charitable giving that comes directly from leadership of our Women's Circle

With over 60 members and climbing, the group has already sorted food boxes at Matthew's Crossing and had an amazing time at UpTown Art in Chandler. Proceeds from this event went to the Children's Dental Clinic. One of the highlights of the year will be High Tea at the Arizona Biltmore at Noon on Saturday April 25th. Proceeds will again go to the Children's Dental Clinic. RSVP to bridget.doherty@dignityhealth.org
