Big Wins for Sports Medicine

Dignity Health's Sports Medicine program is the only program of its kind in Maricopa County designed to prevent young, growing athletes from sustaining such injuries. This comprehensive sports medicine program reaches nearly 15,000 junior high and high school students in the Chandler, Gilbert and Queen Creek public school districts. The goal is to offer college-level athletic training and sports injury care with a focus on performance, nutrition, injury care, heat-related issues and concussion management at little or no cost to the school districts. **Fiesta Bowl Charities** and the **National Football League (NFL) Foundation** both committed to supporting this program with grants to support Athletic Trainer salaries, as well as much-needed equipment for the schools' athletics programs.

Cardinals Charities Score

Oral care is sometimes overlooked as an important area of overall health care in both children and adults. In fact, tooth decay is one of the most prevalent chronic diseases among children, which if left untreated, can lead to increased risk for pain and infections that ultimately affect a child's nutrition, speech and success in school.

As part of its mission outreach, Dignity Health is committed to providing oral health care to low income children in our community who would otherwise be denied due to lack of finances or dental insurance. Currently, two Dental Clinics operate in Chandler and Gilbert.

Cardinal Charities, who has been a strong and consistent Foundation supporter, has provided a donation to our Gilbert facility.

Families Remember

The 7th annual Family Remembrance Run raised \$33,000, through sponsorships, registrations and donations, towards the **Bowen's Buddies Infant Bereavement Endowment**. This fund was established to provide empathy and resources to grieving families in the East Valley who have experienced the unthinkable loss of a baby.

More than 300 people gathered in their neighborhoods, with their loved ones to honor the little lives gone, but not forgotten.

Thanks to the generosity of event sponsors, **Dignity Health Medical Group** and **Valley Women for Women** and individual donors, the Heaven's Hummingbirds support group will continue to provide much needed comfort and resources to families while honoring heaven's tiniest angels for many years to come.
