City of Chandler Honors Frontline Workers: *Thank You for Making a Difference*

The City of Chandler officially declared May as **Frontline Worker Appreciation Month**, recognizing the contributions of healthcare workers, first responders, and educators. This proclamation, joining a national initiative, highlights the dedication of those serving our community.

The city's recognition coincided with Gratitude Days celebrations at Chandler Regional and Mercy Gilbert Medical Centers, honoring the tireless efforts of hospital teams who provide compassionate, lifesaving care.

From emergency room staff to paramedics and dedicated teachers, frontline workers consistently demonstrate resilience, problem-solving skills, and a commitment to the well-being of our communities.

Thanks to your generous support, we were able to provide resources and support to these Dignity Health teams and frontline heroes. Your partnership enables them to continue making a lasting positive impact on the lives of countless individuals throughout the East Valley and

Chandler Regional and Mercy Gilbert Medical Centers celebrated National Nurses and Hospital Week in May with an outpouring of gratitude and fun! Thanks to generous community partners, including *you*, our dedicated team members enjoyed activities like Arizona Diamondbacks tickets, meditation sessions, delicious food trucks, and heartfelt thank you cards.

Local businesses and donors contributed over \$560,000 in goods and services, providing meals, snacks, self-care items, and raffle prizes.
